Before diving into the usage, let's explore the key features and the associated benefits:

Preparing for Your Manicure and Pedicure: Essential Steps

Before you begin, ensure you have a clean, well-lit workspace. Gather your Ebench set and any additional supplies you may need, such as nail polish remover, cuticle oil, hand cream, and your preferred nail polish colors. Remember that proper preparation is key for optimal results. Let's outline the essential steps:

- **Clean Your Nails:** Begin by removing any existing nail polish using a gentle nail polish remover.
- **Soak Your Hands and Feet:** Soaking your hands and feet in warm, soapy water for 5-10 minutes softens the cuticles and makes them easier to manage. Add a few drops of essential oils for a more luxurious experience.
- **Sanitize Your Tools:** Before you begin using any of your tools from the Ebench manicure and pedicure set, thoroughly sanitize them. You can use rubbing alcohol or a specialized tool sanitizer to ensure hygiene.
- **Gather Your Supplies:** Organize your Ebench tools to ensure easy access during the process. This will streamline the manicure and pedicure routine, ensuring a smooth and efficient procedure.

Mastering the Techniques: A Step-by-Step Guide

This section guides you through the practical application of the tools from your Ebench manicure and pedicure set. Remember to always use gentle pressure to avoid damaging your nails or skin.

Manicure:

1. **Shape your nails:** Use the nail clippers from your Ebench set to trim your nails to your desired length. Then, use the nail files to shape them, gently filing in one direction to prevent splitting.

2. **Cuticle care:** Gently push back your cuticles using the cuticle pusher. Avoid cutting your cuticles as this can lead to infection. Apply cuticle oil to moisturize.

3. **Buffing:** Lightly buff the surface of your nails to smooth them and prepare them for nail polish.

4. **Nail polish application:** Apply a base coat, two coats of your chosen nail polish color, and a top coat for a long-lasting manicure.

Pedicure:

1. **Foot Soak:** Follow the soaking instructions as detailed in the previous section.

2. **Callus Removal:** Carefully use a foot file (if included in your Ebench set) to gently remove any calluses. Avoid aggressive scrubbing.

3. **Nail Trimming and Shaping:** Trim and shape your toenails using the nail clippers and files, just as you did with your fingernails.

4. **Cuticle Care:** Repeat the cuticle care steps from the manicure section.

5. **Nail Polish Application:** Apply nail polish to your toenails, following the same steps as for your fingernails.

Maintaining Your Ebench Manicure and Pedicure Set: Care and Storage

Proper care and storage extend the lifespan of your Ebench set. After each use, thoroughly clean your tools with soap and water. Dry them completely before storing them in a dry, clean place. Regularly sanitize your tools to maintain hygiene. Store your Ebench manicure and pedicure set in its original case or a similar protective container to prevent damage and keep the tools organized. This simple maintenance will ensure the long-term performance of your kit.
